Continuation of 10. Other (including any explanation in support of the above items): the brief does not present an argument under a separate heading for ground of rejection of claims 21-25, 27-31 and a separate heading for claim ground of rejection of claim 26. Appellant argues because the rejection of claims 22-31, and 26 is not being argued, it is not believed that a separate heading/argument for any of claims 22-31 is required to be contained within this document (page 4). It is noted that C.F.R 41.37(c)(1)(vii) requires "a separate heading for each ground of rejection on appeal." The appeal Brief, page 2, section III ("Status of the Claims") states "claims 21-31 remain pending, and having been finally rejected, are the subject of this appeal", and page 3, section VI ("Ground of Rejection to be reviewed on appeal" also states "claims 21-25, 27-31... and claim 26 stands...." Thus claims 21-31 are on the appeal. Therefore, a separate heading for each ground of rejection is required.
